

Fellow Golfers,

During the past twelve months, Knockanally Golf Club has seen some great changes. The Executive Council has overseen substantial changes on the course and there are more improvements planned. The course has never been in better condition and visitor numbers are up on previous years. Our clubhouse, Knockanally House, has also seen many improvements and these have all been widely welcomed. Membership has increased and we are confident that, in 2012, we will show a further increase.

These changes have all been achieved within our budgets. Knockanally Golf Club has no debt and all of these achievements have come about through greater efficiencies.

For 2012, we are delighted to announce that your annual subscription will be unchanged. As in 2011, there will be a Full Payment and SO/DD Payment Option. In order to continue our work and to provide the facilities that you the members deserve, we are asking that all members adhere to the payment options. Our work can not continue without your support. For 2012, we have introduced an incentive scheme to encourage members to pay subscriptions in full by January 31st 2012 and we have also initiated an incentive for our current members to introduce a new member- details are contained in your Renewal pack.

Unchanged annual subscription of €890.

This is for the calendar year of 2012. Options for payment of the subscription are detailed on the enclosed Membership Renewal forms. This subscription does not include your ILGU/GUI Levy which is €25 for Ladies and €20 for Men. This levy **must** be paid to maintain your GUI handicap if Knockanally Golf Club is your Home Club.

As all members would agree, Knockanally Golf Club is about the people. The essence of the Club is not simply the golf course or house – it's in the character and spirit that each member brings to it. We would be delighted if you could continue to be part of the club and we look forward to seeing you at Knockanally in 2012!

Seamus Fennessy
Chairman, Executive Council

P.S. Return the attached membership renewal to the Club or contact one of the Membership Team if you need any further information.
